# STALKER BASIC

## Back to the Basics

STALKER Radar, the Technology Leader in Police Radar, is proud to introduce the Stalker BASIC K-Band Radar Gun.

## Advanced Technology Basic Operation

We know that department budgets sometimes limit your ability to purchase our most sophisticated products... which is why we have developed the new Stalker BASIC. Designed around the same digital technology used in the ATR, the Stalker BASIC combines the most popular features and very good performance, all at a very affordable price.

## Ideal for Motorcycle Use

## Call for an On-Site Demonstration Today

Just call our toll free number and arrange to have one of our factory trained sales representatives demonstrate the BASIC's quality and outstanding value.
