

Speed Display Boards

Compact and Affordable

2x7 Display Board

\$795.00

14"W x 11.25"H x 6"D
8.25 Pounds

Available Options:

Flip-Up Sign/Cover \$ 89.00
2x7 Radar System Carrying Case \$ 195.00

Adds Excitement to Any Event

Display boards can be attached to Stalker radar guns so that the speeds can be seen by everyone around. Display boards are great for generating excitement and additional interest at any game or event.

Ideal for Golf & Tennis

3x7 Display Board

\$1095.00

19.5"W x 11.25"H x 6"D
13 Pounds

Available Option:

Flip-Up Sign/Cover \$ 99.00

Includes Speed / Golf Carry Yards Programming

Finest Digit Technology Available

All of the Stalker display boards use state-of-the-art Bedaux electromagnetic digits. These digits are much easier to read than high intensity LEDs, and they are far more rugged than conventional mechanical digits. The boards with 7 inch characters can be read from about 350 feet away. The boards with 10 inch characters are visible at 600 feet.

Displays in 1/10th Increments
